Isaiah 55.10-13

Psalm 92.1-4, 12-15

1 Corinthians 15.51-58

Luke 6.39-49

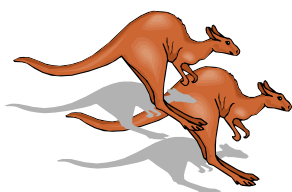

Today Jesus tells a parable about those who build their house on rock, and those who build it on soft soil. As the hymn-writer wrote, 'Christ is made the sure foundation.' During the upcoming season of Lent we can strengthen our faith by looking to Jesus – spending more time with him in prayer, worship and Scripture reading.

Pray that we might unveil our hearts to God further and allow him to move and change us more deeply.

Give thanks for the work and witness of the *Iglesia Filipina Independiente*, the Philippine Independent Church.

## CELEBRATING INTERNATIONAL WOMEN'S DAY

8th MARCH 2019

A message from Archbishop Kay:

“Better the balance, better the world” is this year’s International Women’s Day (IWD) call to collective and ongoing action for a more gender-balanced world. This call resonates with our Christian conviction that anything which denies, diminishes or distorts the full humanity of women runs contrary to the equal dignity which belongs to all who have been made in God’s image. IWD 2019 falls in the same week as Ash Wednesday, so you may wish to embrace some of its goals and activities as part of your Lenten observance.
